

**PEACE IS NOT THE
ABSENCE OF
CONFLICT!**

**PEACE IS THE
PRESENCE OF JESUS
CHRIST!**

As each of us sail our ships across the sea of life we do so in the face of great danger. Seeing the danger we face God sent Jesus, His Only Begotten Son.

Jesus Is My Pilot.

Jesus is the Pilot of my ship I will follow his leadership.

On the sea of life Jesus guides my meager craft restoring my broken spirit. He guides me in paths so I can glorify my Father in Heaven.

Even when my craft sails into fierce storms and it seems as if all will be lost I will not fear because he stands tall against the wind and waves. The peacefulness with which he commands the elements soothes my worrisome spirit.

Jesus has prepares me to withstand all storms. The strength of his character provides me the strength I need to endure life; my spirit overflows with peace and tranquility. As we sail my craft toward the distant horizon his kindness and faithful love will accompany me into the Harbor of God at the end of my journey.

PEACE IS THE PRESENCE OF JESUS CHRIST!**
